Michael O'Donnell is a founder and the chairman of Wheeler Trigg O'Donnell. His national litigation practice focuses on complex civil litigation involving product liability, professional liability, torts, class actions and mass actions, commercial litigation, and bet-the-company matters. Mike has appeared as lead counsel in state and federal courts in 40 states, and he has served as national trial and resolution counsel for numerous highly visible companies, including General Electric, Michelin North America, Advanced Bionics, McKesson, Boston Scientific, Guidant, Skyjack, and Pfizer.

A Fellow and Officer of the American College of Trial Lawyers, Mike also served as Regent for the 10th Circuit from 2012 to 2016. He also served as chairman of the ACTL's Colorado chapter. He is a Fellow of the International Academy of Trial Lawyers and member of the American Board of Trial Advocates. In 2008, he became only the seventh defense lawyer to receive an award from the Colorado Trial Lawyers Association for the highest standards of competency, ethics, and professionalism.

MICHAEL L. O'DONNELL

- *Auto-Owners v. Summit Park*, 886 F.3d 852 and 886 F.3d 863 (10th Cir. 2018) - Won complete affirmance in the Tenth Circuit of landmark rulings governing insurance appraisals. In two published opinions, the Tenth Circuit affirmed trial court rulings vacating an eight-figure appraisal award against the client, disqualifying for bias a national policyholder appraiser, and sanctioning the policyholder and its lawyers for misconduct in connection with the appraisal. Terence Ridley and Evan Stephenson argued the two appeals, respectively.
- *Dukes v. Michelin* (Nineteenth Jud. Cir. St. Lucie Cnty. FL 2016) - Won a complete defense jury verdict for Michelin following a nine-week trial in Florida in which the plaintiffs requested damages in excess of \$80 million. WTO attorneys demonstrated that Michelin's tire was not defective, was well-designed and well-manufactured, and had been previously damaged during its service life. The jury found Michelin not liable for the accident.
- Represented Denver International Airport in high-profile claims involving bid rigging and unfair competition relating to a \$50 million terminal concessions contract.
- *Auto-Owners v. Summit Park*, 2016 WL 1321507 (D. Colo.) - Won order vacating a \$10.87 million property insurance award and disqualifying a national property appraiser, and subsequently won sanctions against the policyholder and its lawyers, and won 99.7% of attorneys' fees and costs.
- Represented Denver International Airport against the Regional Transportation District in a dispute over cost sharing agreements involving a new rail line serving the airport.
- *Allen v. Michelin* (Ariz. Sup. Ct. Mohave Cnty. 2015) - Won a unanimous defense verdict for Michelin North America following a three-week trial in Arizona state court. The plaintiff demanded \$20 million in actual and punitive damages, claiming our client's tire separated and caused a rollover accident that resulted in severe injuries. Michelin was found not at fault on all claims.
- Won a complete defense jury verdict in federal court for a large international law firm accused of malpractice. The plaintiff hired WTO's client to handle a complex patent infringement matter, then sued the firm for negligence and breach of fiduciary duty.
- Served as national counsel to a global healthcare company in multidistrict litigation involving over 12,000 claims relating to dialysis products.
- Represent a Fortune 10 company as national resolution counsel in hundreds of cases involving a medical imaging contrast agent alleged to induce a rare disease.
- Serve as national coordinating and trial counsel to a cochlear implant manufacturer for the defense of product liability lawsuits involving a Class III medical device used to treat hearing loss.
- Represented a Fortune 500 company as national trial counsel for hundreds of product liability claims and lawsuits involving a Class III medical device used to treat abdominal aortic aneurysms.

MICHAEL L. O'DONNELL

- Obtained summary judgment from a Texas district court in a case alleging WTO's client, a life insurance company, committed fraud and violated consumer protection laws.
- Obtained a Rule 12(b) dismissal of a complaint filed in federal court in Missouri against a large international law firm. The plaintiffs ultimately obtained an eight-figure jury verdict against the remaining defendants in the case.
- Secured a ruling from a California appeals court affirming the preemption of claims brought against WTO's client for its abdominal stent medical device.
- Obtained a Rule 12(b) dismissal of a malpractice case against five lawyers. The opposing party appealed the dismissal and, while the appeal was pending, the case settled with no payments being made by WTO's clients.
- Obtained summary judgment for a law firm client and an award of attorneys' fees in a legal malpractice case in which the plaintiff sought \$7 million in damages. The plaintiff appealed the award of attorneys' fees, and the parties settled the appeal with payments being made to the client.
- Obtained partial summary judgment in federal court on behalf of a large national law firm that had been sued for malpractice, aiding and abetting, conspiracy, and violations of RICO. The ruling reduced the damage claim from over \$150 million to less than \$2 million and paved the way for a favorable settlement of the case.
- *Moore v. Bertuzzi* - Successfully defended the Vancouver Canucks NHL organization in a lawsuit brought by Colorado Avalanche player Steven Moore as a result of severe injuries he sustained during a hockey game. WTO obtained dismissal of the lawsuit on the grounds of lack of personal jurisdiction and forum non conveniens, and also obtained a six-figure award of attorney's fees and costs in favor of the Canucks organization and against Mr. Moore.
- Awarded complete summary judgment in a legal malpractice case one week before a multi-week trial was scheduled to begin. The plaintiff had sought over \$5 million in damages.
- *Vastano et al. v. AT&T Wireless* - Defended AT&T Wireless in a nationwide class action in Colorado state court involving the billing of wireless air time.
