BIOGRAPHY

The President of Wheeler Trigg O'Donnell, Katie Reilly represents clients in complex commercial litigation, including antitrust matters and class actions in highly regulated industries. For four straight years, BTI Consulting has named Katie a nationwide Client Service All-Stars MVP based exclusively on input from corporate counsel. Chambers USA ranks her for commercial litigation in Colorado.

Katie has favorably represented antitrust clients in matters involving monopolization, conspiracy, price fixing, exclusive dealing, and other competition-related disputes, including trade secrets and non-compete actions. She has extensive knowledge of the regulatory hurdles and obligations her clients face, and she develops effective litigation and trial strategies based on her clients' business priorities. Katie also routinely provides antitrust counseling to clients in connection with their formation of joint ventures, development of pricing policies, collaborations with competitors, and other activities potentially involving antitrust laws.

Katie's additional commercial litigation experience includes successfully representing clients in business disputes at both the trial and appellate levels. Her experience includes contract disputes, business divorces, consumer fraud, and business tort claims. Katie has extensive healthcare industry experience, as well as real estate, energy, aviation, manufacturing, sports, and telecommunications. Katie also represents municipalities in high-stakes and often contentious disputes involving other municipal entities.

CASES

Class Actions

- Serving as lead trial counsel for a natural gas company in a certified antitrust class action alleging wholesale price manipulation and seeking more than \$2 billion in damages.
- Won Montana Supreme Court victory for a health system in a putative consumer class action that challenged its policy of issuing refunds in the form of pre-paid debit cards. The victory affirmed WTO's prior summary judgment win and defeated the plaintiff's new claims on appeal.
- Won voluntary dismissal of putative class action claims for one of the nation's largest health and wellness franchisors. The plaintiff claimed our client and the franchisee refused to refund her massage spa membership.
- Successfully represented a major North American resort owner and operator in multiple consumer class actions seeking refunds following the company's closure of its ski resorts during the COVID-19 pandemic.

KATIE A. REILLY

- Successfully represented multiple defendants in a \$2 billion federal antitrust and labor class action challenging the au pair exchange program administered by the Department of State. After four years of litigation, and just two months before trial, WTO helped to negotiate settlement for the defense group, resulting in defendants paying only 3% of the demand.
- Successfully defended a telecommunications company in a state and federal putative class action in Washington arising out of an alleged data breach.

Antitrust & Competition

- Successfully negotiated a class settlement—for 2.5% of the claimed damages—for a major utility provider and its subsidiary in a 15-year-old putative antitrust class action in Colorado federal court.
- Successfully represented one of the nation's largest grocery and foodservice distributors as a direct action plaintiff in antitrust litigation concerning broiler chickens.
- Lead counsel for major real estate investment company in *In Re: Apartment Rental Software Antitrust Litigation* (M.D. Tenn. 2023). Plaintiffs seek billions of dollars in damages.
- On the eve of trial, obtained settlement for a leading nationwide insurer facing a novel antitrust challenge to its method of handling property damage claims.
- Obtained favorable settlement for a nation-leading cable operator in a high-stakes and high-profile antitrust dispute brought by a regional content provider.
- Won a preliminary injunction for a national fitness franchisor against three competing fitness and nutrition studios that had stolen our client's trade secrets, infringed on its trademarks, committed fraud, and breached non-compete obligations.
- Successfully defended a leading technology distributor against claims of civil conspiracy and trade secret misappropriation brought by former competitors, who sought tens of millions of dollars in damages. Following full discovery and a Daubert hearing, plaintiffs dismissed all claims on the eve of trial without any settlement or payment from WTO's client.
- Won WTO's motion to dismiss a federal antitrust action for a New Mexico healthcare trade association accused of conspiring to exclude healthcare providers from market.
- Won motions to dismiss all antitrust claims against our client, a leading technology distributor, in multiple related antitrust conspiracy lawsuits brought by former distributors.

KATIE A. REILLY

- Won reversal of a TRO that had been issued *ex parte* at the close of business on a Friday, effectively shutting down operations for a major manufacturing and distribution client, and subsequently won rejection of the injunction against WTO's client.
- Successfully represented a healthcare trade association in an \$80 million federal antitrust lawsuit alleging conspiracy among the trade association, health systems, and health insurance companies.
- Won summary judgment from trial court and successfully defended that order before the Tenth Circuit in a federal antitrust lawsuit alleging conspiracy to monopolize fixed-base operations at an airport.
- Successfully defended a government contractor in a federal antitrust class action and obtained early dismissal of tying and monopolization claims asserted by franchisee plaintiffs.
- Successfully defended a health system against antitrust claims and state law claims in multiple lawsuits brought by physicians relating to failed joint ventures.

Commercial Litigation

- Won a hearing for the majority owners of an ethanol production company to defeat a preliminary injunction attempt and completely unwind an *ex parte* ruling that the company's minority owners obtained to install a receiver to displace WTO's clients from running the company.
- Defended the Colorado arm of the second-largest home building company in the U.S., together with executives and employees, against alleged violations of the Colorado Securities Act, among other claims—obtained dismissal of all claims against nine out of 10 defendants, paving the way for a favorable settlement.
- Obtained dismissal of a putative Securities Act class action for a global telecommunications company and, after a partial reversal and remand, again obtained dismissal of amended claims.
- Won a \$39 million plaintiff's jury verdict as co-trial counsel for Allergan and Duke University after a five-day patent infringement trial in federal court in Colorado.
- Served as lead counsel in series of lawsuits concerning contract disputes between nation-leading telecom companies with over \$1 billion at issue. Achieved highly favorable settlement.
- Helped secure a \$142 million settlement as liaison counsel to the lead plaintiff in a securities class action against a pharmaceutical company.

KATIE A. REILLY

- Won a complete victory following a four-day arbitration for the nation's largest beauty and wellness franchisor, which was accused of franchise disclosure violations, violations of unfair competition laws, and breach of contract. WTO also successfully countersued for breach of contract and trade secret misappropriation, obtained preliminary and permanent injunctions, recovered liquidated damages, and secured an award of attorneys' fees and costs.
- Won a \$14.3 million arbitration award, plus attorneys' fees and costs, for a multistate cannabis operator in a Florida franchise dispute involving lost royalties and right-of-first-refusal issues.
- Successfully represented a global industrial gas company in defense of a competitor's application for preliminary and mandatory injunctive relief, ultimately facilitating resolution of a dispute valued in the hundreds of millions of dollars on highly favorable terms.
- Won summary judgment in a high-stakes commercial dispute between technology companies. WTO represented 10 of 12 defendants and served as lead counsel for the joint defense. At issue were questions of legality and fraud related to asset management and an outstanding loan owed by a business entity that had dissolved. WTO demonstrated that its clients had been fair and above-board, and that no fraud existed.
- Successfully represented Aimco, one of the largest apartment owners in the U.S., in nationwide litigation alleging intentional torts against Airbnb. After jury selection in the first trial, Airbnb settled all litigation on terms allowing Aimco to control short-term rental activity consistent with its contract and property rights.
- Won summary judgment in arbitration for a nation-leading telecom provider in an indemnification dispute with a former subcontractor whose employee filed a class action lawsuit in the Southern District of New York. Though the plaintiff was one classmember among thousands, WTO demonstrated that the subcontractor was liable to indemnify WTO's client for all of its attorneys' fees related to the class action and a pro rata share of the resulting settlement.
- Won a Tenth Circuit appeal for a leading U.S. railroad operator defending a district court order that dismissed a third-party intervenor's claims against WTO's client based on lack of standing to enforce an EPA consent decree.
- Successfully represented an aerospace supplier in a product liability action involving responsibility for a \$10 million cleanup effort at a rocket manufacturing facility.

- Obtained dismissal for an insurance company client facing a civil RICO lawsuit in federal court, with risk of treble damages, for issuing a surety bond to a marijuana business as required by state regulations. The judge granted our client's motion to dismiss because the plaintiffs failed to plausibly allege injury sufficient to establish RICO standing.
