

RYAN C. LAMBRECHT

Senior Trial Technology Specialist

Lambrecht@wtotrial.com | P 303.244.1828

Ryan Lambrecht has been the “hot seat” operator for more than 100 jury trials. As a Senior Trial Presentation Specialist, he helps WTO’s attorneys and clients communicate complex concepts to jurors and judges in clear, understandable terms and images. From timelines and graphic design to video editing and animations, Ryan’s courtroom presentation skills help attorneys convey key concepts and evidence to support their cases.

EDUCATION

University of Colorado Denver,
B.S., Business Administration,
Marketing emphasis, 2007

BIOGRAPHY

Ryan Lambrecht has been the “hot seat” operator for more than 100 jury trials. As a Senior Trial Presentation Specialist, he helps WTO's attorneys and clients communicate complex concepts to jurors and judges in clear, understandable terms and images. From timelines and graphic design to video editing and animations, Ryan's courtroom presentation skills help attorneys convey key concepts and evidence to support their cases.

Ryan is extremely comfortable with industry-leading software, such as OnCue, Trial Pad, Sanction, and other applications. He also is fluent in the entire Adobe Creative Suite and other graphic design, video, and presentation software.

CASES

- Won a defense verdict for a national carrier in a bad faith jury trial in which the plaintiff claimed the insurer must pay for a special run of bricks in order to fully repair the plaintiff's home. A 12-member jury unanimously rejected the plaintiff's claims, agreeing that WTO's client had acted in good faith. WTO also won the Tenth Circuit appeal.
- Won a trial verdict for IBM as plaintiff in a \$6.1 million tax dispute against the City of Golden involving sales and use taxes assessed over a seven-year span.
- Won an arbitration involving a \$50 million claim brought by a joint venture partner against WTO's oil and gas company client.
