BIOGRAPHY

Michael O'Donnell has taken more than 85 trials to verdict and appeared as lead defense counsel in 48 states for class and mass actions, product liability, professional liability, and complex commercial matters for many of the nation's leading companies. Alongside his tremendous trial record, Mike is nationally recognized for his strength in trying and settling complex litigation. Mike is a past president of the American College of Trial Lawyers. He is nationally ranked in Chambers USA, and his colleagues and peers have voted him the #1 lawyer in Colorado Super Lawyers an unprecedented 10 times.

Mike has served as national trial and resolution counsel for numerous highly visible companies, including General Electric, Michelin North America, Advanced Bionics, McKesson, Boston Scientific, Guidant, Skyjack, and Pfizer. He is a Fellow of the International Academy of Trial Lawyers and member of the American Board of Trial Advocates. Mike is a former chairman of The Network of Trial Law Firms, a 5,000-member lawyer organization that offers continuing legal education programs on litigation topics. In 2021, a case that Mike tried (*Nash v. Michelin*) was selected as one of the Top Ten Defense Verdicts in the U.S. by Courtroom View Network.

Chambers USA ranks Mike nationwide for product liability and mass torts defense. *Colorado Super Lawyers* has ranked Mike the number-one lawyer in Colorado for nine years in a row (2013-2021) based on independent research and a survey of his peers--a feat no other Colorado lawyer has accomplished--and he has been named to its top 10 list every year since 2009. Best Lawyers lists Mike in seven litigation practice areas and named him "Denver Legal Malpractice Lawyer of the Year" for 2017 and 2011, and "Denver Product Liability Litigation Lawyer of the Year" for 2013 and 2012. In 2011, Law Week Colorado selected Mike as one of 10 "Lawyers of the Decade" and "Lawyer of the Year" in Colorado. In a survey conducted by Law Week Colorado in 2010, Mike was selected by his peers as the "Best Trial Lawyer" in Colorado.

In 2012, Mike was honored with the University of Denver Law Outstanding Alumni Award which is presented each year to one DU Law graduate who has demonstrated professional achievement and humanitarian service to the community. In 2008, he became only the seventh defense lawyer to receive an award from the Colorado Trial Lawyers Association for the highest standards of competency, ethics, and professionalism.

- Won a unanimous defense verdict for Michelin following a three-week trial in Arizona state court in which the plaintiff demanded \$20 million in actual and punitive damages.
- Won a complete defense jury verdict in federal court for a large international law firm accused of malpractice. The plaintiff hired WTO's client to handle a complex patent infringement matter, then sued the firm for negligence and breach of fiduciary duty.
- Represented a Fortune 500 company as national trial counsel for hundreds of product liability claims and lawsuits involving a Class III medical device used to treat abdominal aortic aneurysms.

MICHAEL L. O'DONNELL

- Served as national counsel to a global healthcare company in multidistrict litigation involving over 12,000 claims relating to dialysis products. WTO helped develop national resolution strategy, identified bellwether cases, and negotiated settlement of all claims.
- Represented a food distributor in allegations of *Listeria* contamination resulting in 33 deaths and 146 confirmed cases in one of the largest and deadliest food-borne illness outbreaks in the United States.
- Represent a Fortune 50 company as national resolution counsel in hundreds of cases involving a medical imaging contrast agent alleged to induce a rare disease.
