brophy@wtotrial.com | P 303.244.1980 | F 303.244.1879

### **BIOGRAPHY**

William Brophy represents sophisticated insurance clients in complex civil disputes at the trial and appellate levels. Prior to joining WTO, he worked as a litigation associate at full service law firm in New York City. There, Will represented clients in insurance, toxic tort, construction defect, and other commercial matters.

Will has developed valuable experience handling high-stakes claims. In addition to conducting strategic motions practice, Will has taken and defended numerous depositions, and drafted appellate briefs, and delivered winning oral arguments.

Will graduated from the Fordham University School of Law and was the Notes and Articles Editor for the Urban Law Journal.
